The 2026 National Championship will serve as a selection trial for athletes aspiring to represent India in international competitions conducted by APDSC and ICSD during the Financial Year 2026–2027. Athletes from all age groups and categories are eligible, with no age restrictions. Based on their performance, the best four players from different categories and age groups will be considered for selection. However, further selection trials may be conducted for athletes selected through the National Championship if deemed necessary. The results and rankings achieved at the 2026 National Championship will be considered as one of the criteria for selecting the Indian contingent for various international events until the next National Championship. Since there are no other ranking tournaments, the Association will have the discretion to conduct separate selection trials for each major international event, and the final selection of athletes will be based on their performance and rankings in both the National Championship and the respective selection trial. If, for any reason, the Association is unable to conduct a separate selection trial, the performance and ranking from the National Championship alone will be considered for selection.

The National Championship for the remaining Junior (Under 18 years, Boys & Girls) and Sub-Junior (Under 16 years, Boys & Girls) categories is being organized to encourage our deaf sportspersons and to develop and enhance their performance and improvement in the future. Exemption is possible, if necessary, subject to the decision of the Executive Board on their performance.
